RESOLUTION 201 (IX)

PEACEFUL USES OF NUCLEAR ENERGY AND
STAFF PENSION AND RETIREMENT FUNDS

Report of the Committee on Contributions
and Budgetary Matters

The General Conference,

Recalling that Resolution 180 (VIII), adopted at its Forty-seventh Session on 18 May 1983, requested the Secretary General to submit a Report to the Committee on Contributions and Budgetary Matters on the manner in which the Fund for Peaceful Uses of Nuclear Energy and the Staff Pension and Retirement Fund are constituted, so that, together with any observations that the Committee may deem advisable on the management of all the Funds that now exist within the Agency, a Report may be presented to the Ninth Regular Session of the General Conference;

Bearing in mind the Reports on these Funds presented by the Secretary General in documents CG/280 and CG/281 and paragraph 10 of the Report of the Committee on Contributions and Budgetary Matters, which appears in document CG/274;

Taking into consideration that Article 8, numeral 8.07 of the Staff Regulations of the Secretariat, adopted by the General Conference in Resolution 65 (III) of August 1973, states that the Staff Pension and Retirement Fund shall be formed in the

following manner:

- (a) By the quantities specified in the Financial Regulations in Articles 7, numeral 7.02 and 9, numeral 9.02 and in the Budget, which indicate that: (7.02) "Any sum not used is a consequence of the lack of prompt payment of the obligations of the Member States during a specific financial year shall be applied in equal parts to the Staff Pension and Retirement Fund and to the Fund for Peaceful Uses of Nuclear Energy, when such obligations are covered."
(9.02) "The interests that are earned through investments of the Agency's Funds shall become part of the Staff Pension and Retirement Fund which shall be governed by Special Regulations." Finally, the Budget in item 1.31.34 establishes an amount as a contribution of the Agency to the Fund;
- (b) By the discount of five per cent of the base salary of the staff members, and
- (c) By specific donations for that purpose.

Considering numerals 8.06, 8.08, 8.09 and 8.10 of the Staff Regulations of the Agency;

Noting the contributions made by the staff members to the Pension and Retirement Fund and By Member States to the Fund for Peaceful Uses of Nuclear Energy,

Resolves:

1. To instruct the Secretary General, as outstanding contributions are paid up and specific contributions are received for the Fund for Peaceful Uses of Nuclear Energy and the Staff Pension and Retirement Fund, to deposit such payments and contributions in special bank accounts the use of which should be restricted exclusively to the ends for which the Funds were created.

2. To direct also the Secretary General, in the measure that Agency activities are not affected, to deposit the amounts that have already been contributed in cash to such Funds by Member States and officials of the Agency for the Prohibition of Nuclear Weapons in Latin America in the special accounts mentioned in the above paragraph.
3. To request the Secretary General to present a Report to the Committee on Contributions and Budgetary Matters regarding the balance of the Funds, to be submitted to the Tenth Regular Session of the General Conference.
4. To request also the Secretary General to prepare the Special Administrative Rules of the Staff Pension and Retirement Fund and to submit them for consideration to said Conference together with any observations made by the Committee on Contributions and Budgetary Matters.

(Adopted on the Fifty-third Session,
held on 9 May 1985).
