GENERAL CONFERENCE
Eleventh Regular Session
Mexico City, 25-28 April 1989

RESOLUTION 247 (XI)
APPLICATION OF ARTICLE 14 OF
THE TREATY OF TLATELOLCO

The General Conference,

Bearing in mind, as has been stated repeatedly, that operation of the Control System established by the Treaty for the Prohibition of Nuclear Weapons in Latin America is an inseparable whole and that compliance with the provisions contained in Article 14 of said Treaty on the part of the Member States is indispensable for the above-mentioned Control System to be duly efficient;

Noting that compliance with the provisions of Article 14 of the Treaty does not entail any practical difficulty for the Governments of the Member States, and

Recalling earlier Resolutions, particularly 218 (X) of 29 April 1987,

Resolves:

To urge the Governments of the Member States to comply promptly with the obligations stemming from Article 14 of the Treaty, stressing the need to comply with the terms of paragraph 1 of said Article, by making the biannual declaration provided for therein, as well as by submitting the reports referred to in paragraph 2 of the same Article of the Treaty.

held on April 27, 1989)
