

GENERAL CONFERENCE
Eleventh Regular Session
Mexico City, 25-28 April 1989

RESOLUTION 248 (XI)

APPLICATION OF ARTICLE 23 OF THE TREATY OF TLATELOLCO

The General Conference,

Recalling its previous Resolutions, especially Resolution 192 (IX) of 8 May 1985 and 219 (X) of 29 April 1987, in which the Governments of the Member States were reminded of the obligation to keep the Agency informed of all "conventions, agreements or other arrangements, whether bilateral or multi-lateral, that they may have reached in matters of nuclear co-operation between themselves or with third States, in order for the Agency to register them and notify the other Member States", in accordance with Article 23 of the Treaty;

Noting with satisfaction that the Governments of the Member States have complied with their obligations in that regard, in the light of Article 23 of the Treaty of Tlatelolco;

Recalling also the need to notify the Agency, in compliance with Article 13 of the Treaty, of all conventions, agreements or international arrangements of any type reached by the Contracting Parties on matters related to the Treaty of Tlatelolco;

Considering furthermore that agreements of any nature reached by respective States or by public entities on

orders or in representation of their Governments, are included in the cases referred to in Article 23 of the Treaty for the Prohibition of Nuclear Weapons in Latin America,

Resolves:

1. To reiterate to the Governments of Member States the need to comply strictly with Article 23 of the Treaty of Tlatelolco and the Resolutions adopted in that regard by the General Conference.
