GENERAL CONFERENCE  
Fifteenth Regular Session  
Tlatelolco, Mexico City, 10 July 1997.

## RESOLUTION CG/Res.360 (XV)

### MODIFICATION OF THE LOGOTYPE OF OPANAL

#### The General Conference,

**Recalling** that the current logotype of OPANAL, consisting of six concentric circles, represents the two meetings of REOPANAL and the four meetings of COPREDAL held prior to the opening for signature of the Treaty of Tlatelolco;

**Considering** that said logotype of OPANAL was adopted **de facto** and was not subject to approval by the General Conference;

**Taking into account** the international recognition gained by the Treaty of Tlatelolco and OPANAL during the course of its thirty years of existence;

**Taking into consideration** that the consolidation of the Zone of application defined in Article 4 of the Treaty of Tlatelolco has practically been achieved, through the signing of the Treaty by all the Member States of the region of Latin America and the Caribbean;

**Considering also** that the Council decided that the celebration of the Thirtieth Anniversary of the Opening for Signature of the Treaty of Tlatelolco on 14 February 1997 would constitute an appropriate occasion for objectively commemorating said consolidation through the partial modification of the logotype, by conserving the original concentric circles while including the geographical silhouette of Latin America and the Caribbean and the inscriptions "Treaty of Tlatelolco" and "OPANAL",

#### Resolves:

**To modify** the logotype of the Agency for the Prohibition of Nuclear Weapons in Latin America and the Caribbean by adding to the concentric circles of the original logotype, as shown in the Annex, the geographical silhouette of the territories that conform the region of Latin America and the Caribbean, and the inscriptions "Treaty of Tlatelolco" above and "OPANAL" below.
