## Status of compliance with article 14 of the Treaty of Tlatelolco

Since the last Meeting of the Council, the Secretariat received the report of compliance of Haiti and Guatemala, therefore twelve Member States have reported that, until 31 December 2020, no activity prohibited by the provisions of the Treaty for the Prohibition of Nuclear Weapons in Latin America and the Caribbean - Treaty of Tlatelolco - has taken place in their territories, while other nine Member States have presented information up to the first half of 2020. With this 64% of the Memberships is up to date with Article 14 of the Treaty.

Other eight Member States have not submitted information for four semesters or more, therefore, to date, 36% of the membership is in a state of non-compliance with article 14.
