#### *The General Conference,*

*Bearing in mind* its Resolutions 37 (II) of September 9, 1971, 2 (I-E), of November 6, 1972 and 50 (III) of August 23, 1973, whereby it has been making repeated appeals to the Government of Member States not yet Parties to the Convention on Privileges and Immunities of the Agency, to proceed to sign and ratify this instrument as soon as possible, and

*Having carefully examined* the status of signatures and ratifications of the above mentioned Convention as it appears in the Annex to the Memorandum of the Secretary General, document CG/47 Rev. 1,

#### *Resolves:*

*To take note, with satisfaction,* of the offer made by several Delegations to the effect that their Governments will soon proceed to sign and ratify the Convention on Privileges and Immunities of the Agency.

*To request,* based on Article 7 of the Treaty for the Prohibition of Nuclear Weapons in Latin America, to the Governments of Member States that have not yet signed said Convention, to do so at the earliest opportunity and to those which have already signed but have not yet ratified it, to do so at the earliest possible date, with the purpose to perfect the legal statute which the Agency must have for the full performance of its functions, by the formal recognition in every Member State of these prerogatives.
