

GENERAL CONFERENCE
Fourth Period of Sessions
Mexico City, April 15-18, 1975

RESOLUTION 82 (IV)

**Control System:
Implementation of Article 14 of the Treaty of Tlatelolco**

The General Conference,

Bearing in mind that the functioning of the Control System established in the Treaty for the Prohibition of Nuclear Weapons in Latin America is comprehended as a whole and that the provisions contained in Article 14 of said Treaty must be executed by Member States so that the aforementioned Control System may have its due efficacy as has been repeatedly expressed on several opportunities.

Aware that the fulfillment of the provisions of Article 14 of the Treaty does not imply practical difficulties for the Governments of Member States, and

Recalling its previous Resolutions 3 (II), of September 9, 1971 and 52 (III), of August 23, 1973, as well as the concern of the Council expressed in Resolution C-3, of November 17, 1970,

Resolves:

To reiterate its interest to the Governments of Member States in their opportune compliance with the obligations derived from Article 14 of the Treaty, emphasizing the need to comply not only with the terms of paragraph 1 of said Article by means of the semiannual declaration there prescribed but also, with the reports referred to in paragraph 2 of the same Article of the Treaty.

(Adopted on the Twenty-second session,
held on April 18, 1975)
