GENERAL CONFERENCE  
Fourth Period of Sessions  
Mexico City, April 15-18, 1975

## **RESOLUTION 85 (IV)**

### **Commemoration of the Tenth Anniversary of the Treaty of Tlatelolco**

*The General Conference,*

*Recalling* that the Treaty for the Prohibition of Nuclear Weapons in Latin America was opened for signature in Mexico City on February 14, 1967;

*Taking into consideration* that the Tenth Anniversary of the opening for signature of this Treaty will take place before the celebration of the Fifth Period of Sessions of the General Conference, and

*Believing* that this anniversary must be adequately commemorated, inasmuch as the Treaty of Tlatelolco constitutes a historic Latin American contribution to disarmament and to international peace and security, being heretofore the first and the only precedent for the creation of a military denuclearized zone in an inhabited part of the planet and an example to inspire the action of the international community to extend the regime of military denuclearization to other zones,

*Resolves:*

1. *To ask* the Secretary General to prepare the adequate commemoration of the Tenth Anniversary on February 14, 1967, in consultation and with the cooperation of the States Parties to the Treaty for the Prohibition of Nuclear Weapons in Latin America, and especially of the seat country of the Agency.
2. *To make an appeal* to Member States and to the United Nations to give their full cooperation for the commemoration of this anniversary.

(Adopted on the Twenty-second session,  
held on April 18, 1975)
