

GENERAL CONFERENCE  
Fourth Period of Sessions  
Mexico City, April 15-18, 1975

**RESOLUTION 88 (IV)**

**Budget of the Agency**

*The General Conference,*

*Having* analyzed the Draft Budget for the two year term 1976-1977 submitted by the Secretary General in document CG/109 Rev. 1,

*Resolves:*

1. *That*, for the biannual economic exercise 1976-1977, credits shall be assigned in the amount of \$5,314,288.50 Mexican currency, distributed as follows: \$2,487,831.75 for 1976 and \$2,826,456.75 for 1977.
2. *That* said credits be used with the necessary flexibility to make, at the criteria of the Secretary General, the transfer of items to fulfill the specific objectives referred to in document CG/109 Rev. 1.
3. *That* the detailed credits referred to in paragraph 2 must be covered with the contributions assigned to Member States in accordance with the scale established by the General Conference in its Resolution 78 (IV), without prejudice to make, as necessary, the adjustments caused by the admittance of new Member States.
