1. That the scale of contributions of Member States for the apportionment of the expenses of the Agency for the two-year term 1978-1979 shall establish, for the above mentioned two-year term, a maximum of 30% of the budget for the major contributor.

2. To reaffirm that the resolution mentioned in the preceding paragraph is a first step in the implementation of the decisions adopted on this matter by the United Nations for the budget of this year.

3. To confirm that the final aim is that, on the basis of the criteria adopted by the United Nations, the major contributor shall pay not more than 25% of the OPANAL budget.
